

# Make an Origami Starvationer Boat

## You will need:

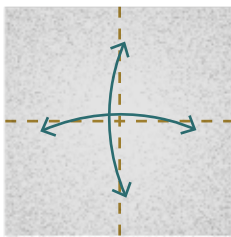

All you need for this activity is a square of craft paper.

## Did you know...?

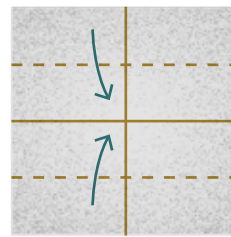

Starvationer boats were used to transport coal from the mines in Worsley Delph. They were nicknamed this as they had sides that stuck out like ribs.

Follow the instructions below, then see if you can float your boat!

1. Fold in the dotted lines to make a crease and unfold.

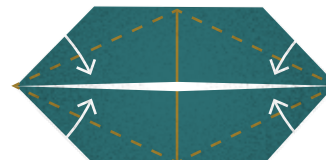

2. Fold in the dotted lines to meet the centre line.

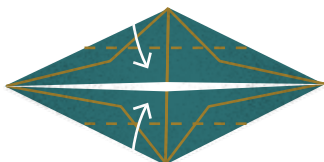

3. Fold in the dotted lines.

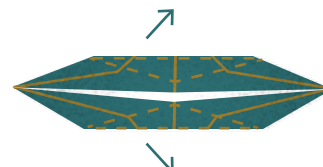

4. Fold in the dotted lines.

5. Fold in the dotted lines.

6. Open up the pocket and turn inside out.

7. Finished boat.
